### ***SPUG WEBSITE HAS BEEN LAUNCHED!***

Our new web address is **www. neospug.com**. Please feel free to go online and check out the web page. Our goal is to make this a useful site to educate people who work

in the sewer industry about proven methods for installing, operating and maintaining our sanitary and storm sewer systems. Our next step is to add a page for technology transfer as well as for job postings. Any ideas, please

let one of the trustees know. Anyone who has not paid your annual due for 2007, please turn them in to Lisa Francisco. Don Killinger, Editor, dkillinger@hotmail.com
